## Intepro Systems Has a New North American Sales Manager

---

**Santa Ana, CA** (July 12, 2010) – Intepro Systems, LLC today announced the hiring of Stu Gibson as the new Sales Manager for North America. Before being hired by Intepro systems, Stu was a sales representative for twenty nine years for Ward Davis and Associates, a California sales organization. Stu also has eleven years experience in the aerospace field as an engineer and a program manager.

“Stu brings a wealth of sales and customer support experience to our team,” says Joe Engler, President of Intepro Systems. “He has always been a strong customer advocate as a rep and he is bringing that same passion to our organization.”

A graduate of University of California, Irvine, Stu will be responsible for managing Intepro’s representative network in North America as well as key account management. He can be reached directly at 949.394.8489 or [Stu.Gibson@InteproATE.com](mailto:Stu.Gibson@InteproATE.com).

### About Intepro Systems, LLC

Intepro Systems manufactures, develops and services complex instrumentation and systems for the test and design validation of power supply systems and their components used in aerospace, military, telecommunications, and other power electronics applications. The leader in power supply testing for over 25 years, the company has a global reach with direct sales offices in China, Ireland, United Kingdom., and U.S.
